

ROSA REYNOZA

AGE: 49

OCCUPATION: Mother/Business Owner

Six years ago, I began my journey to serve you as an elected leader. I have attended Town Council meetings regularly along with countless local meetings. I serve on various Boards and Commissions. I am the Chair for a Housing Committee for the Sonoma County Area Agency on Aging where I help set the agenda and I lead the meetings. My background is in Business and I have managed multi-million dollar budgets. Please know that I do have experience and I will be ready to hit the ground running. I have heard our current council say how important these two things are for the next person who will hold this seat.

I plan on also being a voice for the hard working people of Windsor. I can be seen out in the community on a regular basis volunteering with many of our amazing local organizations. I couldn't be more proud of how we have come together during these very difficult times. I will continue to be involved in the day to day lives of many of our most vulnerable and provide support to those that might be struggling for the first time.

My mission is to serve, connect and represent the community.

Vote for me, Rosa Reynoza, as your next Council Member. A vote for Rosa is a vote for all.
