<p style="text-align: center;">Town of Windsor – Town Council</p> <hr/> <p>CODY WILSON Age: 40 Occupation: Biomedical Equipment Technician</p> <p>Hello honorable Windsor residents,</p> <p>I'm Cody.</p> <p>I'm a family guy with a wife that keeps me in check, and two energetic boys who keep me on my toes. So, am I qualified to run for Town Council? Don't you worry. I am qualified and very transparent. At this point my personal story doesn't matter until you know my intentions and how much I care about Windsor and its residents. This is what really matters going forward.</p> <p>Windsor is a fine place because of the people like you that live here. If not for you, there would be no Town Green, fine schools or top-notch businesses. As a matter of fact, if not for you this area would be burned to the ground. You beat several forest fires already. Yes, the heroes on the front lines clobbered the fires into submission, but only because they were protecting you. You are that important to Windsor.</p> <p>There is no question in my mind that together through creativity, compassion, and commitment we can take Windsor to the next level.</p> <p>Join me on this ride of positive energy. Let us show the nation how a small town can positively change the world.</p> <p>Love, Cody</p>

I chose to move here in 2005, because I recognized the value of good planning and design to create a healthy, resilient, safe, and family-friendly community.</p> <p>Now that my daughter is in college, I would like to give back. As a former Planning Commissioner and design professional, I can advocate for measures that enhance shared values and ensure quality of life. Now I run my own business, helping wildfire survivors recover their homes and property. I can build consensus to merge community, aesthetic, environmental, and economic goals for our benefit.</p> <p>Protecting our businesses and essential workers, neighborhoods and parks, our citizens on fixed incomes, our diversity of residents and housing types, and providing equitable services are essential goals that will be my guide in protecting our Town's quality of life and designing a vibrant future.</p> <p>Thank you for your vote.</p>	<p style="text-align: center;">Pueblo de Windsor – Concejo del Pueblo</p> <hr/> <p>JULIA DONOHO Occupación: Arquitecta/Propietaria de Empresa</p> <p>Estoy muy agradecida por haber podido criar a mi hija aquí en Windsor, lograr que sus abuelos vinieran a vivir con nosotros, y poder caminar al centro para un café o un concierto.
